2024 New Products

NEW FOR 2024

We are the largest manufacturer of kitchen sinks in the UK and during 2023 we celebrated our 90th year manufacturing stainless steel sinks at our factory located in Long Eaton, Nottingham. With over 90 years experience and a reputation for excellence, we're able to offer a wide range of high quality sinks and taps for you to choose from.

Leisure Sinks introduces a range of new products for 2024, including 17 new tap families, 2 new stainless steel sink collections, 2 new fire-clay ceramic sinks and Nova, a new granite sink collection.

# NOVA

10  
YEAR  
WARRANTY

Nova combines style with functionality; the drainer with defined straight lines creates a contemporary look and its generous bowl sizes provide ample room to wash large pots and pans. If kitchen space is restricted, a compact version is also available within the range.

Constructed from 80% quartz – the toughest element of granite, and high-grade acrylic, the new Nova range offers a robust solution for one of the busiest areas in the kitchen space.

- Available in three colourways
- Compact option available
- Reversible design
- Waste kit included
